

B-TOP LIVABLE CITIES SPEAKER SERIES

Mark Fenton

“America’s Walking Guru” *USA Today*

Entertaining, engaging, and knowledgeable health & community design expert

Presents:

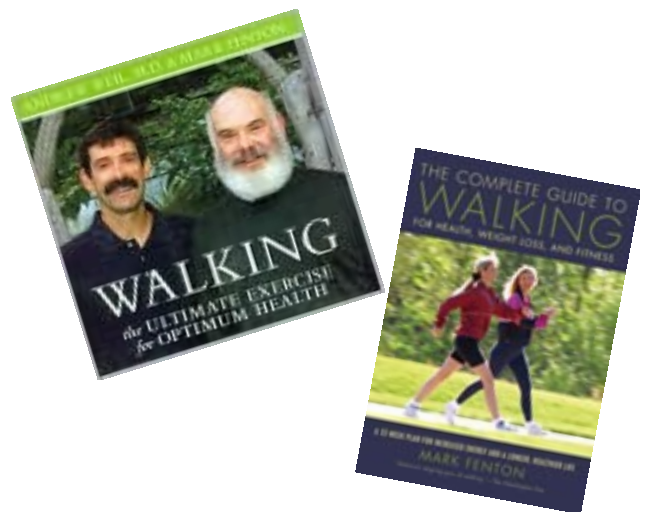

Sticky Community Design: A Path to Economic, Environmental and Public Health

Wednesday, March 7
Showers Plaza - City of Bloomington

Presentation: 5:30-7:00pm
City Council Chamber

Walk Audit: 3:00-4:30pm
Meet at Showers Plaza Lobby

Free. All welcome. Come to one or both events.

Mark’s goal is to engineer physical activity back into American communities and lives. Mark combines public health perspective with engineering expertise (BS, MS degrees, MIT). He is one of the country’s foremost experts on healthy community design, leading sessions in over 200 communities nationwide. He provides innovative community-level program, design, and policy solutions to create more walkable, bicycle-friendly and transit-friendly settings.
